W. is to provide temporary employment for men in distress and to piace clothing and furniture within the reach of the poor. The collection of paper, magazines, clothing, furniture, etc., furnishes the employment. Between 30 and 50 men are thus employed daily. Since the schools of this city began their collections of paper, the Army collection has fallen of 60%, which, it will be seen, has seriously handicapped us in our philanthropic work. Will you kindly help us by giving us your paper, so we can help the man down and out to rise again. Last year we supplied 16,324 lodgings and 55,425 meals, and 85 men passed out to other positions.
